### Clean your stuff. PLEASE!!!

Wash that item - Smells hurt value.

Polish that metal - Shine adds value.

Degrease that car part - Who wants dirty hands?

Test your item: if not we have to say as-is.

As-is statement can hurt the value.

Count the parts or pieces: Make sure everything is there.

ICKY never sells: Would you buy used bed sheets?

Cars: we sell several per month.

Selling a car is easy, but you need to get the car detailed. On several past auctions all bidders said they would have bid more but the car did not look cared for, so they held back on the amount of their bid.
