If Meadowbrook remains open during the day:

- Meadowbrook will post this information on the website home page.
- If your child relies on public school transportation and you have indicated on your child's emergency dismissal form that we are to dismiss your child to his/her bus as indicated, we will do so when your child's district bus arrives. Please note that this may be anytime during the day if that district closes early.
- Meadowbrook has no control over the arrival of district buses. Please check your district's website or the television to become informed of their decision. Meadowbrook will make every reasonable attempt to keep our website updated with estimated arrival times of district buses.

MEADOWBROOK SCHOOL INCLEMENT WEATHER GUIDELINES

**PLEASE READ CAREFULLY AND
DISCUSS PLANS WITH YOUR CHILD!**

Weather Related Early Dismissal: After reading the information below, please fill out the form (see reverse) and return to the office by **June 30, 2009**.

1. School Districts make their closing decisions regardless of what Meadowbrook is doing. This means we may remain open but districts send their buses to pick up their district's students. With little notification we must get students prepared to leave. We will post the district and their estimated pick-up time on the homepage of the website www.themeadowbrookschoo.org as the information becomes available.
2. We ask that you and your child discuss the arrangements you select on the reverse so everyone is clear about the procedure. Your child's teacher will also be informed of your arrangement.
3. Students frequently want to make arrangements with their friends when these opportunities present themselves. **Last minute plans are strongly discouraged as phones are being used for parent notification.**
