

Dear Meadowbrook School Community Members,

We are excited to introduce our three head of school finalists: **Ben Thompson, Charles Miller, and Daena Berdougo Remondelli**. After an extensive nationwide search, these three outstanding professionals emerged as exceptional candidates who the search committee believes hold the highest potential to be an outstanding match for The Meadowbrook School.

We will welcome:

- **Mr. Ben Thompson** on Wednesday and Thursday, October 16-17.
- **Mr. Charles Miller** on Monday and Tuesday, October 21-22
- **Mrs. Daena Berdougo Remondelli** on Wednesday and Thursday, October 23-24.

They will meet with parents and members of the community at the **community coffees on Thursday 17th, Tuesday 22nd, and Thursday 24th at 8:00 am each day in the Dining Commons**. At these coffees, parents will be invited to ask questions and subsequently offer feedback through a survey that will be distributed shortly following the meeting. Your prompt attention in completing the survey is appreciated.

Faculty and staff will host the finalist candidates in small group and individual meetings over the course of their visits, and they will also be offered a survey to give important feedback about each of the candidates.

We are grateful to you for meaningful participation and engagement in this process, one that represents the beginning of an exciting and important next era for Meadowbrook.

Sincerely,

Marlene Sidhu
