

CAMP MEADOWBROOK

The lunch program at Camp Meadowbrook is truly special! Each camp group joins for lunch in the Dining Commons levels, along with their camp counselors, for a family-style meal that is served to the table by our camp staff members. Our family-style dining is an important tradition of The Meadowbrook School that fosters community, encourages healthy eating and contributes to [The Meadowbrook Way](#).

We are pleased to have CulinArt lead our lunch program. This food management company has a great reputation in the industry and offers nutritious and enjoyable meals to our student body.
