

November 1, 2024

Dear Meadowbrook Community,

I am writing to you on behalf of the Head of School search committee to update you on our search progress and express our gratitude for your continued engagement in this vital process.

As you know, we recently welcomed three promising finalists to campus. Following their visits and careful deliberation, we extended competitive offers to two candidates. While both expressed genuine enthusiasm for Meadowbrook, they ultimately accepted positions at other schools that allowed them to remain in their current geographic regions. While disappointing, we understand that location and relocation decisions play a significant role in leadership transitions.

After thorough consultation with our partners at Educational Directions, we have made the strategic decision to extend our search timeline. Our unwavering goal remains to secure an exceptional Head of School who will begin their tenure in July 2025. In the coming weeks, we anticipate hosting additional qualified candidates on campus and will keep you informed of these visits.

While this extension was not our original plan, it reflects our commitment to finding the right leader for our community. The caliber of candidates we continue to attract reinforces our confidence that we will find an outstanding Head of School who embodies Meadowbrook's values and vision.

Your active participation in this process has been invaluable, and we deeply appreciate your continued support and patience as we move forward.

Marlene Sidhu

Chair, Head of School Search Committee

Chair, Board of Trustees
