

Meadowbrook Head Search Summer Update

Dear Meadowbrook School Community,

With summer in full swing, I want to share a brief update on the search for Meadowbrook's next Head of School who will begin in July 2025. Our search consultants, Jay Underwood and Nicole McDermott of Educational Directions, have been busy interviewing candidate prospects and have begun to narrow the list to a handful of "high-potential" candidates who will be presented to the search committee for review in September.

Looking ahead, here is a general timeline of the search process:

- July-August: Recruitment and candidate development
- Early September: Search Committee receives high-potential candidate applications
- Late September - Early October: Search Committee selects and interviews semifinalists and chooses finalists
- Mid - Late October: 2-3 finalists visit Meadowbrook for two days each to meet and interview with the school community
- November: Search Committee selects one candidate to recommend to the Board; Board of Trustees meets to approve successful candidate
- Mid-Late November: The next head is announced

I will provide another update on the search's progress when we return in the fall. On behalf of the Head of School Search Committee, thank you for your commitment to The Meadowbrook School, and we wish you and your family a wonderful summer.

Sincerely,

Marlene Sidhu
