

Science Teacher

Reports To: Head of School by way of Director of Academic Advancement

Job Goals: To provide students with appropriate learning activities and experiences designed to fulfill their academic potential within the *mission* of The Meadowbrook School.

Mission Statement: We bring life to learning for elementary-aged children in a nurturing, fun, and collaborative environment.

Job Description: The Science Teacher is part of the faculty and leads this discipline for all grades (preschool through 6th grade). This teacher will demonstrate intellectual curiosity and lead students with passion, dedication, and enthusiasm.

Primary duties & example of various responsibilities:

- Teach Science classes to all grade levels during the academic year
- Plan and develop lesson plans and use appropriate instructional strategies that reflect the learning styles of various age groups
- Use technology to strengthen the learning process
- Conduct ongoing assessments of student achievement through formal testing
- Maintain grades, submit achievement reports, and communicate concerns with parents, administrators, and other faculty members
- Attend required faculty orientation, inservice training days, faculty meetings, and divisional meetings throughout the year
- Pursue and participate in professional development opportunities
- Coordinate the annual Science Expo
- Support admissions efforts by representing Meadowbrook at our Open House events
- Create a classroom environment that is conducive to various age groups
- Maintain the classroom with appropriate books, equipment, and instructional materials
- Nurture and maintain a highly collaborative relationship with the rest of the faculty, administration, and extended school community.
- Be a positive role model on campus and representing the school externally

Qualifications: Bachelor's degree from an accredited college or university. A teaching certificate from the State of Pennsylvania and 3+ years teaching experience is preferred; however, these are not requirements. All employees must have clean background checks.

Interested candidates should contact the Head of School, Michael Reardon, directly at mreardon@themeadowbrookschool.org.
