**Cost:** \$45.00 for the four sessions

Students in Kindergarten, 1<sup>st</sup> and 2<sup>nd</sup> grades are invited to learn how to play chess or improve their chess skills.

We are fortunate to have Robert Lakata as our chess instructor. In addition to being a competitive chess player, Mr. Lakata has been a Chess Coach at the Huntingdon Valley Chess Society Juniors for over 20 years and Organizer/Chief Director of Chess Tournaments in the Philadelphia and surrounding areas since 2001. We are excited to have Mr. Lakata share his expertise and strategies in chess with our Meadowbrook students!

Chess experience is not required, but all participants should have a genuine interest in learning how to play the game of chess. Mr. Lakata will teach beginning students as well as those with previous knowledge of the game.

The Chess Club will meet in the Science Room from 3:00pm – 4:30pm on Tuesday afternoons. Meadowbrook will provide each student with a snack before the session begins. Parents are encouraged to meet their child at 4:30pm. Extended day coverage is available from 4:30pm - 6:00pm for an additional fee.

Each chess club member will receive a certificate of participation at the completion of the club in the spring. The fee for Chess Club is \$45.00. Please complete the registration form and return it to the office by January 13<sup>th</sup> to join the club. If you have any questions, please do not hesitate to ask Mrs. Mockaitis.
